**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

More competition is better for everyone. We need local ISPs to stop AT&T and Comcast from monopolizing internet access.

They're already the only two options in most markets, and they've always proven to be anti-consumer in their practices.

In fact, not only should you ignore AT&T's petition, you should order antitrust investigations into AT&T and Comcast ASAP!

Jay Rooney
